

New Harvest Church of Christ

"A Perfect Church for Imperfect People"

8413 N. 40th Street Tampa, FL 33604

Dear Fellow Laborers,

This is probably the most difficult letter I've written, A Faithful member of New Harvest Church of Christ, Sis. Darlene Green is in need of a kidney transplant, and I need to let friends and family know about her condition.

Sis. Green has been on the kidney transplant list for 24 months now. Recently, she began a 3 days/week dialysis treatment. While there, she's continuously hooked up to the dialysis machine for three and a half grueling hours. By the time she travels to her treatment (where she's spent most of her day) and back home, she's often extremely tired. Being on dialysis is very physically and emotionally draining.

As you know, organ transplantation is a serious and expensive undertaking. There are many costs involved that are not covered by insurance. Based on the information provided to me by Tampa General Hospital they cannot proceed without financial clearance. To resolve this issue Darlene is in need of \$ 7,000 (6 months of secondary Medicaid SOC- *Share of Cost*). We have three months to raise the requested amount of funds in order to be cleared financially for listing.

Therefore, I ask of you who receive this letter to please donate a gift of love by way of Pay-Pal to www.newharvestchurchofchrist.org or by mail to the address listed above.

Please make checks payable to:
